Would you like to be able to treat your patients with quick and effective results?

This seminar with Dr. med. Radha Thambirajah deals with patient problems which are successfully treated with Acupuncture, some with just one session of treatment! Feel free to bring patients or cases to discuss and treat. The points will be used for balancing the energy status which causes the emotional state and point prescriptions used in all cases. This seminar will give you insight and ability to use Acupuncture in emotional problems of patients with ease and efficiency!

Dr. med.
Radha Thambirajah

graduated from Shanghai Medical College in 1970. She studied Medicine and specialised in Acupuncture. After her internship in China, she returned to Sri Lanka where she established her practice. She founded the Academy of Chinese Acupuncture in Sri Lanka in 1980, and trained doctors and health professionals all over the world. In 1984, she moved to England following the communal problems in Sri Lanka. She opened the Academy in Berlin, and to date, the Academy has trained over 9000 students worldwide. She lectures acupuncture in Europe for over 20 years. She does regular courses for the Forschungsgruppe Akupunktur in Germany, and is a visiting lecturer for number of teaching organisations in Germany, Switzerland, Greece, Poland and Barcelona. Radha practices in Sutton Coldfield, West Midlands. Her first book, 'Energetics in Acupuncture' has been published in German and English. Radha follows the Chinese style of teaching with the 'hands-on' method and lot of practice. Courses are lively and interactive. Learning Acupuncture should be fun and enjoyable and create confidence in the learner!
